How will the scheme benchmark its performance?	<p><b>S&amp;P BSE 500 TRI</b></p> <p>The scheme is multi Cap fund investing across Large, Mid and Small Capitalization Companies. S&amp;P BSE 500 TRI has a optimal blend of Large, Mid &amp; Small sized business and hence is an appropriate Benchmark for the fund.</p>	<p><b>Nifty500 Multicap 50:25:25 Index</b></p> <p>The scheme is a multi Cap fund that will invest a minimum of 25% of its assets each in Large, Mid and Small Capitalization Companies. Nifty500 Multicap 50:25:25 Index has an optimal blend of Large, Mid &amp; Small sized business with fixed allocation of 50%, 25% and 25% respectively in these three segments and hence is an appropriate Benchmark for the fund.</p>																																					

Also, please note that in terms of the requirement of the said Circular, the scheme shall ensure compliance with the revised asset allocation within one month from the date of publishing the next list of stocks by AMFI i.e. January 2021.

The above provisions will be effective from 29th January 2021.

This addendum forms an integral part of Scheme Information Document and Key Information Memorandum of the Scheme(s) of Nippon India Mutual Fund and all the other terms and conditions of the aforesaid document read with the addenda issued from time to time will remain unchanged.

How will the scheme benchmark its performance?	<b>S&amp;P BSE 500 TRI</b> The scheme is multi Cap fund investing across Large, Mid and Small Capitalization Companies. S&P BSE 500 TRI has a optimal blend of Large, Mid & Small sized business and hence is an appropriate Benchmark for the fund.	<b>Nifty500 Multicap 50:25:25 Index</b> The scheme is a multi Cap fund that will invest a minimum of 25% of its assets each in Large, Mid and Small Capitalization Companies. Nifty500 Multicap 50:25:25 Index has an optimal blend of Large, Mid & Small sized business with fixed allocation of 50%, 25% and 25% respectively in these three segments and hence is an appropriate Benchmark for the fund.																																					

Also, please note that in terms of the requirement of the said Circular, the scheme shall ensure compliance with the revised asset allocation within one month from the date of publishing the next list of stocks by AMFI i.e. January 2021.

The above provisions will be effective from 29th January 2021.

This addendum forms an integral part of Scheme Information Document and Key Information Memorandum of the Scheme(s) of Nippon India Mutual Fund and all the other terms and conditions of the aforesaid document read with the addenda issued from time to time will remain unchanged.

(*including upto 25% of the corpus in securitised debt)																																							
An overall limit of 50% of the portfolio value (i.e. net assets including cash) has been introduced for the purpose of equity derivatives in the scheme. Further, SEBI vide its circular dated August 18, 2010, has modified the investment norms for derivatives. Therefore, the scheme shall make investments in line with the said circular and such other guidelines as specified by SEBI from time to time.																																							
Securities lending, if any shall be within the SEBI prescribed limits.																																							
The above Asset Allocation Pattern is only indicative. The investment manager in line with the investment objective may alter the above pattern for short term and on defensive consideration.																																							
The AMC reserves the right to change the above asset allocation pattern in the interest of the investors depending on the market conditions for a short term period of defensive consideration. In case any deviation from the asset allocation, the fund manager will carry out rebalancing within 30 days. Where the portfolio is not re-balanced within 30 Days, justification for the same shall be placed before the Investment Committee and reasons for the same shall be recorded in writing. The Investment Committee shall then decide on the course of action. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.																																							
How will the scheme benchmark its performance?	<b>S&amp;P BSE 500 TRI</b> The scheme is multi Cap fund investing across Large, Mid and Small Capitalization Companies. S&P BSE 500 TRI has an optimal blend of Large, Mid & Small sized business and hence is an appropriate Benchmark for the fund.	<b>Nifty500 Multicap 50:25:25 Index</b> The scheme is a multi Cap fund that will invest a minimum of 25% of its assets each in Large, Mid and Small Capitalization Companies. Nifty500 Multicap 50:25:25 Index has an optimal blend of Large, Mid & Small sized business with fixed allocation of 50%, 25% and 25% respectively in these three segments and hence is an appropriate Benchmark for the fund.																																					

Also, please note that in terms of the requirement of the said Circular, the scheme shall ensure compliance with the revised asset allocation within one month from the date of publishing the next list of stocks by AMFI i.e. January 2021.

The above provisions will be effective from 29th January 2021.

This addendum forms an integral part of Scheme Information Document and Key Information Memorandum of the Scheme(s) of Nippon India Mutual Fund and all the other terms and conditions of the aforesaid document read with the addenda issued from time to time will remain unchanged.

An overall limit of 50% of the portfolio value (i.e. net assets including cash) has been introduced for the purpose of equity derivatives in the scheme. Further, SEBI vide its circular dated August 18, 2010, has modified the investment norms for derivatives. Therefore, the scheme shall make investments in line with the said circular and such other guidelines as specified by SEBI from time to time.

Securities lending, if any shall be within the SEBI prescribed limits.

The above Asset Allocation Pattern is only indicative. The investment manager in line with the investment objective may alter the above pattern for short term and on defensive consideration.

The AMC reserves the right to change the above asset allocation pattern in the interest of the investors depending on the market conditions for a short term period of defensive consideration. In case any deviation from the asset allocation, the fund manager will carry out rebalancing within 30 days. Where the portfolio is not re-balanced within 30 Days, justification for the same shall be placed before the Investment Committee and reasons for the same shall be recorded in writing. The Investment Committee shall then decide on the course of action. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.

(\*including upto 25% of the corpus in securitised debt)

Market Capitalization: Market value of the listed company, which is calculated by multiplying its current market price by total number of shares.

^As per SEBI Circular dated October 06, 2017:

Large Cap: Large Cap stocks are defined as stocks of companies whose market capitalization is between 1st – 100th company in terms of full market capitalization.

An overall limit of 50% of the portfolio value (i.e. net assets including cash) has been introduced for the purpose of equity derivatives in the scheme. Further, SEBI vide its circular dated August 18, 2010, has modified the investment norms for derivatives. Therefore, the scheme shall make investments in line with the said circular and such other guidelines as specified by SEBI from time to time.																																							
Securities lending, if any shall be within the SEBI prescribed limits.																																							
The above Asset Allocation Pattern is only indicative. The investment manager in line with the investment objective may alter the above pattern for short term and on defensive consideration.																																							
The AMC reserves the right to change the above asset allocation pattern in the interest of the investors depending on the market conditions for a short term period of defensive consideration. In case any deviation from the asset allocation, the fund manager will carry out rebalancing within 30 days. Where the portfolio is not re-balanced within 30 Days, justification for the same shall be placed before the Investment Committee and reasons for the same shall be recorded in writing. The Investment Committee shall then decide on the course of action. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.																																							
How will the scheme benchmark its performance?	<b>S&amp;P BSE 500 TRI</b> The scheme is multi Cap fund investing across Large, Mid and Small Capitalization Companies. S&P BSE 500 TRI has an optimal blend of Large, Mid & Small sized business and hence is an appropriate Benchmark for the fund.	<b>Nifty500 Multicap 50:25:25 Index</b> The scheme is a multi Cap fund that will invest a minimum of 25% of its assets each in Large, Mid and Small Capitalization Companies. Nifty500 Multicap 50:25:25 Index has an optimal blend of Large, Mid & Small sized business with fixed allocation of 50%, 25% and 25% respectively in these three segments and hence is an appropriate Benchmark for the fund.																																					

Also, please note that in terms of the requirement of the said Circular, the scheme shall ensure compliance with the revised asset allocation within one month from the date of publishing the next list of stocks by AMFI i.e. January 2021.

The above provisions will be effective from 29th January 2021.

This addendum forms an integral part of Scheme Information Document and Key Information Memorandum of the Scheme(s) of Nippon India Mutual Fund and all the other terms and conditions of the aforesaid document read with the addenda issued from time to time will remain unchanged.
